

CONSTITUTION AND BY-LAWS OF THE ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

PREAMBLE

We, representing the national engineering organisations in the ASEAN Region, comprising members engaged in the common professional pursuit of engineering, aware of the important role of engineering to the advancement of the social, economic, and industrial development of the ASEAN Region; concerted in the effort to elevate and improve the quality of life of the ASEAN people through dynamic actions, productivity, increased employment opportunities and equitable distribution of wealth among the masses of the ASEAN nations; united in our consensus to participate actively in any industrial technological programmes, environmental conservation and sustainable development of the ASEAN; desirous of exchanging and sharing engineering technology; concerned in rendering protection of our basic professional rights; cognizant of the need to establish harmony and rapport among the members of our profession; and having formally associated ourselves, do hereby ordain and promulgate these Constitution and By-Laws.

Amended on
23/10/03 at
21st AFEO Meeting
in Yogyakarta,
Indonesia

ARTICLE I - NAME

The name of the organisation shall be the ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (AFEO).

Amended on
09/12/05 at
23rd AFEO
Meeting
in Vientiane,
Lao PDR

ARTICLE II – OFFICE

The office of the Federation shall be located in the country of the member organisation hosting the Secretariat of ASEAN Federation of Engineering Organisations (AFEO).

Amended on
09/12/05 at
23rd AFEO
Meeting
in Vientiane,
Lao PDR

ARTICLE III – PURPOSE AND OBJECTIVES

The purposes and objectives of the Federation are as follows:

1. To promote the formulation and implementation of policies, plans and projects for the development of the country of the member organisation or the entire ASEAN Region that is relevant to the needs and economic capabilities of each country;
2. To promote opportunity in the field of education, research and practice, to exchange ideas, experiences and to discuss problems of common interest amongst national engineering organisations and their members;

3. To promote understanding, goodwill and cooperation amongst national engineering organisations and their members;
4. To promote and recommend rules and standards that will govern the regional operation of the Federation in the ASEAN Region;
5. To support researches and studies that will improve and maximise benefits of the national engineering organisations and their members in the developing economy of the ASEAN Region;
6. To formally affiliate with the pertinent ASEAN Authority or Group by promoting close cooperation and relationship with the ASEAN Secretariat, Chambers of Commerce and Industries, Federation of Manufacturers, Academics of Engineering and Technology and end users, with the end in view of actively participating in any ASEAN industrial and technological programmes and other activities;
7. To generate and maintain mutually beneficial relationship and cooperation with regional and international organisations with similar goals and objectives;
8. To encourage interchange of ideas and technology and to promote dialogues with other related professional groups and federations engaged in similar activities.

Amended on

Meeting
in Vientiane,
Lao PDR

ARTICLE IV – CONFERENCE OF ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (CAFEO)

The Federation shall organise CAFEO in keeping with the spirit of the Convention of Engineering Institutions of Southeast Asian Nations (CEISEAN) in accordance with the attached guiding principles.

ARTICLE V – MEMBERSHIP

There shall be two categories of Membership:

- a) National Membership (with voting rights)
- b) Individual Members (no voting rights)

Section 1. *National Membership* of the Federation shall be available to the national engineering organisation in each ASEAN country. The Federation shall recognise and admit only ONE engineering organisation, known as *National Membership*, from each ASEAN country. Where multiple engineering organisations exist in a country these organisations shall group themselves under one umbrella organisation before seeking

Amended on

AFEO Meeting in
Phnom Pehn
Cambodia

membership to the Federation. The Federation shall admit as a member the umbrella organisation as the sole representative of engineering profession in that country provided always that the Federation is satisfied that the said umbrella organisation does in fact effectively represent the engineering profession in that country.

Section 2. *National* Membership of the Federation shall entitle the organisations and their members to all rights and privileges pertaining to membership; and shall likewise subject said members to all appurtenant duties and responsibilities thereof.

Section 3. *National* Membership to the Federation shall become effective upon full payment of fees as provided for in Article XI of the Constitution and By-Laws.

Section 4. *Individual* Honorary Membership

- i) The Individual Honorary Membership shall consist of the following categories:-
 - a) Honorary Distinguished Fellow
 - b) Honorary Fellow
 - c) Honorary Member
- ii) The Governing Board may at its absolute discretion and from time to time appoint or invite suitable persons for Individual Honorary Membership.
- iii) The member of individual Honorary Members shall be decided by the Governing Board and adjusted as and when it is deemed necessary.
- iv) The procedure for conferment of Individual Honorary Membership shall be as follows:-
 - a) A member may by an official proposal nominate any qualified and deserving candidate(s) to be conferred the Individual Honorary Membership.
 - b) The approval and acceptance of the candidate as an Individual Honorary Member as the case shall be by a two third (2/3) majority of members present at the Governing Board Meeting or two thirds (2/3) of membership by postal balloting.
