

REPORT FROM IES YOUNG ENGINEERS (CAFEO 34 Palawan, Philippines)

Membership of The Institution of Engineers, Singapore (IES) has grown steadily since its humble beginnings in 1966. To date, IES has a membership of over 4,000 members and is still growing steadily. Individual membership provides you with an opportunity to network and share ideas / experiences with other fellow engineers.

Joining is easy:

1. Select the membership grade that is most appropriate for you.
2. Complete the **membership application online**.
3. Download the **Giro Form**, complete it and send it to us via post.
4. Please send your qualifications and required documents to carol.cheo@iesnet.org.sg once you have applied for online registration with full payment.

Alternatively, one can **download a copy of the respective membership grade** and have it mailed to us at 70 Bukit Tinggi Road Singapore 289758.
