

**REGULATIONS OF
THE YOUNG ENGINEERS OF
ASEAN FEDERATION OF ENGINEERING
ORGANISATIONS
(YEAFEO)**

PREAMBLE

We, representing the Young Engineers of the national engineering organisations under the umbrella of the ASEAN Federation of Engineering Organisations (AFEO), comprising members engaged in the common professional pursuit of engineering, aware of the important role of engineering to the advancement of the social, economic, and industrial development of the ASEAN Region; concerted in the effort to elevate and improve the quality of life of the ASEAN people through dynamic actions, productivity, increased employment opportunities and equitable distribution of wealth among the masses of the ASEAN nations; united in our consensus to participate actively in any industrial and technological programmes of the ASEAN; desirous of exchanging and sharing engineering technology; concerned in rendering protection of our basic professional rights; cognizant of the need to establish harmony and rapport among the members of our profession; and having formally associated ourselves, do hereby ordain and promulgate these Regulation.

The formation of YEAFEO is in pursuant to Article 6(c) of the Joint Communique of the Governing Board of AFEO issued on 19 November 1993 CAFEO-11 (Singapore).

ARTICLE I – NAME

The name of the group shall be the YOUNG ENGINEERS OF THE ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (YEAFEO)

ARTICLE II – OFFICE

The office of YEAFEO shall be located in the country of the member organisation hosting the next Conference of ASEAN Federation of Engineering Organisations (CAFEO) as provided for the Article IV.

ARTICLE III – PURPOSES AND OBJECTIVES

1. To promote understanding, goodwill and co-operation amongst young engineers in the member national engineering organisations.
2. To promote and exchange ideas, experiences and to discuss problems of common interest amongst national engineering organisations and their members.
3. To support and assist the purposes and objectives of the AFEO as stated in its Constitution and By-Laws.

ARTICLE IV – CONFERENCE OF ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (CAFEO)

The hosting Group shall organise YEAFEO in keeping with the spirit of the CAFEO.

ARTICLE V – MEMBERSHIP

Section 1 – Membership of the Group shall be available only to the young engineers of the national engineering organisation in each ASEAN country. The grouping shall recognise and admit only ONE young engineering organisation from each ASEAN country. Where multiple young engineering organisations exist in a country these organisations shall group themselves under one umbrella organisation before seeking membership to the Grouping. The Grouping shall admit as a member the umbrella organisation as the sole representative of the young engineering profession in that country provided always that the Grouping is satisfied that the said umbrella organisation does in fact effectively represent the young engineering profession in that country.

Section 2 – Membership of the Group shall entitle the organisations and their members to all rights and privileges to membership, and shall likewise subject said members to all appurtenant duties and responsibilities thereof.

Section 3 – The “Young Engineer” shall be defined by the respective national engineering organisation as either: -

- a) graduate or student member of the respective national engineering organisation; or

- b) a member of the respective national engineering organisation whose age is 35 years or below on the first of January of that year.

ARTICLE VI – THE YOUNG ENGINEERS COUNCIL

Section 1 – The governing and policy making body of the Young Engineers Group (YEAFO) shall be the Young Engineers Council.

Section 2 – One (1) additional representative from each Young Engineers national member organisation, who may participate in the deliberations but may not vote, except in the absence of the principal representative provided for above.

Section 3 – A Chairman and a Vice Chairman shall be elected by the Council amongst its own members. The Chairman shall be the Chairman of the Young Engineers member organisation hosting the next CAFO and the Vice Chairman shall be the Chairman of the member organisation hosting the CAFO following the next one.

Section 4 – Committees shall be formed and their officers appointed by the Council as may be required in relation to specific objectives and programmes of the Group.

Section 5 – Meetings of the Council shall be held yearly to coincide as far as possible with the CAFO. As the need arises, Council meetings may be held more often upon written request of the least three (3) members. Notices of meeting shall be sent out at least six (6) weeks in advance.

Section 6 – *Tenure.* The tenure of all Council members shall be one (1) year or until their successors shall have been duly elected. Where the terms of a Council member with his own organisation expires prior to the expiration of his term on the Council, his office shall be filled by the new Chairman of the subject organisation.

Section 7 – *Quorum.* To constitute a quorum, the presence of a majority of the voting members of the Council in any duly convened meeting shall be necessary.

Section 8 – *Sponsorship.* The participation of the two Young Engineer representatives to CAFO, YEAFO and other AFO events may be sponsored by their respective member engineering organisation.
